# FINISH GUIDE

## CHROME [CC]

A classic finish that is shiny and highly reflective. Smooth surface provides extra corrosion resistance, eases cleaning procedures and increases surface hardness. This finish is a great match for modern, contemporary and classically styled kitchens.

## BRUSHED NICKEL [BN]

This finish has a warm appearance that appeals to homeowners looking for a bit of softness. Its brushed surface helps mask fingerprints and water spots.

## STAINLESS STEEL [SS]

A great finish if you want to add a touch of modernity to your space. It matches stainless steel appliances and contemporary elements such as a stainless steel sink.

## GUNMETAL [GM]

This finish has a very warm almost bronze-like feel, and is appealing to homeowners who want to make a statement with a focal point. It is a smooth matte finish that is durable and very easy to clean.

## MATTE BLACK [MB]

This is a dramatic finish that can be used to match wrought-iron details or as a statement piece in a neutral-coloured space. Matte finish has a soft velvety texture to touch.

## MATTE GOLD [MG]

A modern spin on a traditional classic. This finish will bring a touch of contemporary luxury, elegance and warmth into your home.

## TWO-TONE FINISHES

## CHROME/ MATTE BLACK [CC/MB]

## BRUSHED NICKEL/ MATTE BLACK [BN/MB]

## STAINLESS STEEL/ MATTE BLACK [SS/MB]

## MATTE GOLD/ MATTE BLACK [MG/MB]

# KITCHEN FAUCETS

All Vogt faucets are lead-free.

## Finish

Physical Vapor Deposition (PVD) and electroplating finishing processes help prevent scratches, stains and corrosion.

## Ergonomic Lever

Designed for efficiency and comfort.

## 360° Rotation

For extended range.

## Braided Hose with Integrated Swivel

Flexible and durable.

## Magnetic Docking Mechanism

## Dual Spray Function

Switch from regular flow to spray.

- **Solid Brass Body**
- **Ceramic Disk Cartridge for Optimal Performance**

Durable and long lasting.

Vogt stainless steel sinks are available in many styles and sizes to fulfill your design needs and functionality requirements.

## 10mm Radius Rounded Corners

10mm radius corners create a contemporary look. Rounded seams are easy to clean and maintain.

Vogt Contemporary Series and Premium Series offer models with 10mm radius corners.

## Zero Radius Square Corners

Sharp 90-degree corners and perfectly straight edges give your kitchen a modern appearance.

Vogt Contemporary Series and Premium Series offer models with zero radius corners.

## Bottom Grids

Grids protect your sink from scratching and prevent tarnishing by allowing water to drain below the dishes.

## Luxurious Finish

Vogt sinks are manufactured with a premium brushed satin finish that is easy to maintain.

# HANDMADE STAINLESS STEEL SINKS

## Beauty and Function

### Premium SUS 304 Stainless Steel Material

Tough enough to handle  
everyday use.  
Excellent corrosion  
resistance.

### Durable 16 or 18 Gauge Steel

Scratch Resistant  
Luxurious Finish

**Rear-Positioned Drains**  
For maximum cabinet space

**10mm Rounded Corners**  
For easy cleaning or  
**Zero Radius Corners**  
For an ultra modern design

**Sink Floor Designed  
For Optimal Drainage**

## Practical Innovation

### Extra Efficient Noise Reduction

Rubber pads absorb noise and vibration while the sink is in use.

### Commercial Grade Undercoating

Thick undercoating provides an extra level of soundproofing and maintains water temperature.

### Ultra Thick Rubber Pads On All Exterior Sides

### Connecting Brackets For Extra Strength

# VOGRANITE

Premium sinks for your bathroom and kitchen.

## Durable

Vogranite is a quartz composite that is extremely resistant to impact, heat, chips and scratches.

## Eco-Friendly

A non-porous surface that does not support bacterial growth. No special cleaners are required.

## Solid Colours

Vogranite features uniform colouring that does not fade.

## Choose your colour

### ONYX BLACK [OB]

Make a powerful statement in your kitchen or bathroom with this finish. It can add depth and timeless elegance to a room. Pair Onyx Black with gold, chrome or stainless steel to create a striking opulent look.

### METROPOLITAN GREY [MG]

A cool neutral finish, Metropolitan Grey is subtle and stable to use with other colours as it does not draw attention to itself. It can be used to create an industrial yet contemporary look to your kitchen or bathroom.

### JAVA BROWN [JB] (Kitchen only)

A strong, rich and dark finish that is natural. Java Brown will add a warm and tranquil feel to your kitchen. Compliment this finish with chrome or brushed nickel to complete a neutral cozy look.

### FROST WHITE [FW]

This finish will make your kitchen or bathroom look bright, fresh and crisp. Pair Frost White with black finishes to create a stunning contrasting look.

# VITREOUS CHINA BATHROOM SINKS

---

Vogt bathroom sinks feature a vitreous china coating process.

## **Strength and durability**

Vitreous china is a hard enamel that provides excellent resistance to scrapes.

---

## **Luxurious shine**

Extra thick enamel (1.2 mm) provides high gloss finish and a uniform intensity of colour.

---

## **Ease of cleaning**

Non-porous surface prevents dirt from penetrating the material. Silky smooth glaze is resistant to residential-grade chemicals and is easy to clean.

## **Where can I purchase Vogt products?**

We have a network of authorized dealers. Please contact us or visit our website so we can recommend someone in your area.

## **Are Vogt products certified?**

We stand behind the quality of our products. All Vogt products are certified to be in compliance with the following codes:

- Uniform Plumbing Code (UPC®)
- National Plumbing Code of Canada

And are in compliance with the following standards:

- ASME A112.18.1-2018/CSA B125.1-18

## **How should I clean my Vogt faucet?**

Simply rinse the faucet with warm water and dry the faucet with a soft cloth. Avoid using strong detergents and harsh chemicals. Cleaning with a damp non-abrasive cloth and wiping it dry should keep your product looking great.

## **How should I maintain the finish on my faucet?**

Always wipe dry any water from the faucet surface. If the water is allowed to evaporate from the surface of the faucet it can lead to a build up of mineral deposits. To remove water spots, use warm water and a soft damp cloth. Harder water stains may be removed using a 50/50 solution of white vinegar and water. Make certain to rinse the faucet thoroughly with water afterwards.

## **Do stainless steel sinks rust?**

No, our sinks are made of high-quality SUS 304 stainless steel that does not rust. You may come across reddish brown spots on your sink that might look like rust. These can appear for a variety of reasons, such as from using steel wool pads or leaving a cast iron pot in the sink. These marks are only on the surface and best dealt with if they are cleaned right away.

## **How should I clean my Vogt stainless steel sink?**

Cleaning your sink on a daily basis with soap and water is recommended. For more stubborn stains there are many stainless steel cleaners that are available on the market that work very well. When using these cleaners, it is important to follow the instructions on the label. The use of these cleaners with a light scouring pad can be used to remove light scratches and bring the shine back to your sink.

## **What is a PVD finish?**

PVD is an acronym for Physical Vapour Deposition. It is a manufacturing technique used to create a durable, long lasting finish. During the process the finish is bonded directly to the brass that makes up the body of your faucet, rather than a coating that is applied over the metal. The result is a faucet that provides protection from scratches and corrosion.

**What is your warranty and how do I get replacement parts?**

Vogt offers a limited lifetime warranty against defects in material and workmanship. A full description of our warranty is available on our website at [www.vogtindustries.com](http://www.vogtindustries.com). If you are in need of replacement parts please contact us at [customercare@vogtindustires.com](mailto:customercare@vogtindustires.com) and one of our technical specialists will follow up on your request. It is always important to have as much information as possible, including model numbers and an original proof of purchase. A description of the issue, along with photos, is usually helpful.

**What do I do if the water from my faucet is dripping or spraying erratically?**

Our faucets are equipped with aerators that can be removed and cleaned from debris or mineralization. It may be necessary to soak them in vinegar to break up any built-up minerals from the water.

# WARRANTY AND TERMS

# WARRANTY

**VOGT** offers Limited Lifetime Warranty against defects in workmanship and materials under normal residential use, care and maintenance to the original owner with proof of purchase from an authorized **VOGT** dealer. The only acceptable proof of purchase is the original dated sales receipt. This warranty extends to the original owner and is not transferable to a subsequent owner of the residence where products are installed.

Subject to the Warranty Service provision below, if the original owner reports the product to **VOGT** or authorized **VOGT** dealer, within the warranty period, as being defective, **VOGT** will provide replacement parts free of charge or will replace the product (with a product of equal value) at the location of the purchase at the option of **VOGT**. **VOGT** reserves the right to inspect the product reported to be defective prior to any action. Replacement cost excludes transportation/shipping fees and any labour costs for the removal or reinstallation of the product, and as such, it is the responsibility of the owner-purchaser to provide access to the product and cover any related cost.

## **Limitations:**

This warranty shall not apply to instances of incorrect operating procedures, breakages or damages caused by fault through improper handling, installation, carelessness, abuse, misuse, misapplication, commercial application, improper maintenance/cleaning or alteration of the product, scratches due to use, normal wear and tear, as well as chemical or natural corrosion, accident, fire, flood, an act of God, or any other casualty. Avoid abrasive cleaners, steel wools, and harsh chemicals as these will scratch, corrode and damage the product, and void this warranty. Warranty does not cover outdoor use.

The owner of the product covered by the present warranty is entirely responsible for its proper installation and any applicable plumbing or electrical wiring. **VOGT** neither installs nor supervises the installation nor hires a contractor for this purpose; consequently, **VOGT** cannot be held responsible for any default, breakage, or damages caused thereby or resulting thereof, either directly or indirectly.

This warranty does not apply to products that have not been installed or operated in accordance with instructions supplied by **VOGT** and all applicable rules, regulations, and legislation pertaining to such installations. This warranty does not apply unless **VOGT** product is installed by a certified master plumber. **VOGT** strongly recommends that such licensed professionals have experience in the installation of similar bathroom and kitchen products.

**VOGT** warranty obligation shall be discharged upon tender of replacement or repair. The customer's refusal to accept the tender terminates **VOGT** warranty obligations. In any case, **VOGT** cannot be held liable for any amount over and above the purchase price paid for the product by the owner, contractor, or builder.

## **VOGRANITE WARRANTY**

**VOGT INDUSTRIES** ("VOGT") carries a limited lifetime warranty on Vogranite sinks to be free of manufacturing defects under regular household use. Should a **VOGT** sink prove to be defective under normal domestic household usage, **VOGT** will provide a sink of an equivalent model free of charge to the original consumer provided it was installed by a qualified installer. The original owner will be required to provide a proof of purchase from an authorized **VOGT** dealer, as the original sales receipt is required for all warranty claims. **VOGT** reserves the right to request additional information pertaining to warranty claims.

Temperatures under 280° degrees do not affect these products. The Vogranite warranty does not cover cuts, nicks, chipping, burning, melting, damage caused by heavy impact or dropped objects, incorrect drilling, freight/shipping damages, damages caused during installation, scuff marks, chemical burns, stains or damage caused by using the sink for cleaning of paint or grout materials, automotive materials, or corrosive materials. **VOGT Industries** shall not be liable for any inconvenience or expense for material or labour related to removal or replacement of the defective sink; nor for any loss or damage to any person or property resulting from the defective sink. **VOGT** warranty does not cover the cost of shipping or handling charges. All products deemed defective by a **VOGT** authorized agent must be returned to the original place of purchase or contact **VOGT** customer care for further instructions.

## **Commercial Limitations:**

In addition to the above conditions and limitations, the warranty period for commercial applications or used in commercial ventures is one (1) year from the initial date of purchase by the owner, contractor, builder, designer or architect.

For general care and cleaning instructions, please visit [www.vogtindustries.com](http://www.vogtindustries.com).

## **Disclaimer:**

Neither the distributor, nor authorized **VOGT** dealer, nor any other person has been authorized to make any affirmation, representation, or warranty other than those contained in this warranty.

**VOGT** reserves the right to modify this warranty at any time, it being understood that such modifications will not alter the warrant conditions applicable at the time of sale of the products in question.

**Warranty Service:**

To obtain warranty service, please call toll free at **1.888.215.8648 ext. 500** or email us at [service@vogtindustries.com](mailto:service@vogtindustries.com). Proof of purchase, product information and a description of the issue must be included in all claims.

## **SERVICE CALL / WARRANTY PARTS REQUEST POLICY**

---

### **Customer Care: End User Service Call/Warranty Parts Request Procedure:**

The Vogt limited lifetime warranty covers parts or replacement of product should it be determined to be a manufacturer's defect. Vogt will not cover any incurred costs for removal, installation or freight charges. However, to ensure the utmost best service to our clients, we've implemented the procedure below for warranty and service requests:

It is strongly recommended that the end user should first contact the Vogt authorized dealer where the merchandise was purchased. This allows us to collect the pertinent information given that communicating with a consumer can be challenging in most cases (for example, consumers not knowing product names, model numbers, etc.). This helps us save time and prevent sending the wrong items to the consumer and allows us to get the situation rectified as quickly as possible. This procedure is in place to ensure all requests are addressed efficiently. If necessary, the Vogt Customer Care Department will contact the end user directly.

The authorized dealer may email a service call or warranty parts request to [customercare@vogtindustries.com](mailto:customercare@vogtindustries.com) and provide the following information:

1. Dealer name and direct contact person with phone number.
2. Consumer name, address, phone number and email address.
3. Product name, model number and description.
4. Copy of original proof of purchase.
5. Date of installation.
6. Explanation of the situation.

Please include any photos or videos illustrating the issue if available.

We do our best to respond to all requests within 3 business days. We thank you for your cooperation and understanding.

## **TERMS & CONDITIONS**

---

### **Price:**

Vogt reserves the right to change prices without notice. Applicable taxes will be added when required.

### **Terms of payment:**

C.O.D. Accounts - Payment required upon delivery. Goods will not be left without payment.

Net 30 Days Accounts - An interest charge of 2% per month (24% per year) will be charged on overdue accounts. No deliveries will be made to vendors who don't comply with the terms of payment.

### **Delivery:**

Prices are F.O.B. from our warehouse. The responsibility of Vogt Industries ends when merchandise is given to the carrier.

### **Damage claims:**

When products arrive damaged:

Vogt is not responsible for products arriving damaged when shipped with a 3rd party carrier. Damage claims must be made by the authorized dealer directly with the shipping provider. Vogt's responsibility ends when the products are given to the carrier. It is the responsibility of the receiving party to inspect all goods upon arrival. All other damage claims must be made within 48 hours of receipt of goods. Vogt will do their very best to assist in rectifying these situations when they occur.

### **Merchandise returns:**

- Merchandise cannot be returned without authorization from a Vogt Representative.
- Merchandise must be returned within 120 days from date of receipt.
- Vogt reserves the right to refuse merchandise returns at all times.
- All returns are subject to a restocking fee of up to 25% and will be charged to the vendor.
- Merchandise must be returned un-used, un-installed, and in original undamaged packaging.
- Parts deemed to have a manufacturing defect will be replaced at no charge.
- Vogt will replace or repair the defective item at their discretion.
